

CRESCENDO

BY GULF STREAM®

COCKPIT • WITH SMART WHEEL

MODERN COCKPIT...

Driving the large and powerful Crescendo may be intimidating at first but once you become accustom to the controls and smooth handling of the intense 330 horsepower machine you will feel right at home in our ergonomic cockpit designed to put the controls right at your fingertips.

KITCHEN • MODEL 8356

GALLEY CONVENIENCE...

Our wide-open galley offers all the comforts of your kitchen at home. 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave and optional dish washer will be able to prepare any of your family's favorite meals.

OPTIONAL ELECTRONICS PACKAGE 30" LCD

LOW-PROFILE SATELLITE

GPS / MP3 SYSTEM

COMFORTABLE DINING BOOTH ...

Gulf Stream delivers in the design and construction of the dinette table and seating.

The Comfort Plus dinette booth offers roomy seating for four.

Enhanced by large panoramic windows to take in the view while dining in your luxury motorhome.

DINETTE • MODEL 8386

LIVING QUARTERS • MODEL 8386

SPACIOUS LIVING QUARTERS...

Open living areas that incorporate large slide rooms and residential style furniture make home away from home very comfortable. The overhead flat screen TV and the entertainment cabinet provide plenty of storage for music and movies to entertain everyone on a rainy day or quiet evening.

GULF STREAM

COACH, INCORPORATED
FAMILY VALUE

CRESCENDO

BY GULF STREAM®

COMFORT...

Deep set superslides in the main living area dramatically increase the living space of this Motorcoach. Gulf Stream's very own Comfort Plus furniture adorns the entire RV.

SOFA • MODEL 8356

WARDROBE • MODEL 8386

BEDROOM • MODEL 8386

Large bedroom windows open up the bedroom letting in natural light and fresh air. The bedroom delivers plenty of storage for both his and her clothing. All floorplans include deep dresser drawers and large wardrobe storage to hang attire.

BATHROOM • MODEL 8356

BATHROOM...

The bathroom in the Crescendo makes it easy to prepare for the day ahead. The mirrored medicine cabinet and under-sink storage gives you room to hide away personal products, and the skylight in the shower stall provides natural light and additional headroom for tall travelers.

BEDROOM • MODEL 8386

BEDROOM • MODEL 8356

RESTFUL NIGHTS...

Gulf Stream knows that a comfortable night's sleep is an integral part of a great travel experience. That's why we give you many amenities that you enjoy at home in our cozy bedroom areas. Items including a Queen size bed, windows at the head of the bed for ventilation, air conditioning, vanity mirror, overhead storage and Optional 20" flat screen television.

GULF STREAM

COACH, INCORPORATED
FAMILY VALUE

SOLID HARDWOOD CABINETS

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

GALVANIZED STEEL STORAGE COMPARTMENTS

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.

CRESCENDO

BY GULF STREAM®

Seamless FIBERGLASS ROOF

Skid Resistant - Puncture Resistant

Excellent Weathering - Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Comfort Plus furniture by Gulf Stream Coach features residential styling, solid construction, total comfort and a comprehensive warranty.

FLUSH FLOOR Slide out rooms

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

GULF STREAM VS. BRAND A Cool Down Comparison

- At 15 minutes, Gulf Stream cooled 7 degrees cooler.
- At 30 minutes, Gulf Stream cooled 9 degrees cooler.
- At 1 hour, Gulf Stream cooled 9 degrees cooler.

Finally, empirical data demonstrating the efficiency and performance of a roof air conditioning system versus a floor air conditioning system.
Winner: Roof air conditioning by Gulf Stream

Cradle of Strength

1. Seamless Fiberglass Roof For Greater Energy Efficiency, Durability and Dependability.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provides Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Heavy-Gauge Aluminum Radius Transition.
8. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
9. Interior Wall Panels Laminated to Sidewall Framing.
10. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
11. "Super Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability.
12. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
13. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
14. Seamless Structurewood Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor.
15. Block Foam Insulated Floor
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Heavy-Gauge Tubular Steel Floor Framing, Fixture Welded for Extra Strength and Stability.
18. Heavy-gauge Tubular Steel Framed, Fixture Welded Truss System Provides the Strongest Foundation in the Industry.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
21. Galvanized Steel Used to Form Each Storage & Holding Compartment.
22. The Industry's Strongest, Most Spacious Exterior Storage Compartments.

Unlike traditional plywood and foam seating Comfort Plus dinette seating features the strength of steel and the comfort of a sprung cushion.

**ALL STEEL
OVERHEAD STRUCTURE**

TAKE THE TIME TO COMPARE...

and you will see the exceptional value of a Gulf Stream Coach

TUFF-TRUSS
6000lbs.

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

An all steel overhead structure installed above the cockpit brings strength and rigidity to the upper portion of the coach providing a safe strong platform to install a TV that will not break free in an impact while maximizing overhead storage.

FRONT ENGINE DIESEL

CRESCENDO

BY GULF STREAM®

Up to
**12
MPG.***

*actual mileage per gallon may vary due to road conditions, terrain, driver habits, cargo weight, or towing.

FRED FACTS

The real advantages of Front Engine Diesel.

PERFORMANCE • Front Engine configuration uses natural motion and ram air to cool the engine allowing the valuable horsepower to concentrate on powering the coach, not cooling the engine.

EFFICIENCY • The Front Engine Diesel chassis touts a fuel economy of an estimated 12-13 MPG *

*actual mileage per gallon may vary due to road conditions, terrain, driver habits, cargo weight, or towing.

STABILITY • By moving the Engine to the front of the unit and by increasing the wheelbase by 20" we create a more comfortable ride. This also eliminates porpoising (the forward and aft rocking caused by the engine being placed in the rear of a unit with a smaller wheelbase) A more stable ride means less wear on the unit and on the driver.

MODEL 324 FRED

STANDARD BODY PAINT
OPTIONAL TAN OR BLUE FULL BODY PAINT AVAILABLE

Chassis	Freightliner	Wheelbase	228"
Engine	5.9L 300hp	Fresh	57 gal.
Fuel	60	Grey	50 gal.

Height w/AC	12'-0"	A/C Front (BTU's)	13,500
Interior Height	84"	Water Heater w/DSI	10 gal.

MODEL 324

The 324 highlights the all-new full wall slide. Unlike other manufacturers Gulf Stream uses the large bathroom as a partition between the bedroom and the rest of the coach. This allows you to entertain guests without having the bedroom exposed for all to see.

Holding tank capacities (both fresh water and waste water) are volume calculations based on overall tank dimensions. The capacities may differ from published calculations due to the result of tank installation, tank material variation, tank fitting locations and other plumbing variables.

MODEL 368

Open living areas that incorporate large slide rooms and residential style furniture make home away from home very comfortable.

The kitchen is well equipped with a 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave.

MODEL 378

MODEL 378

This bedrooms feature Gulf Stream's Two-Zone Living Concept. The optional computer workstation and sitting chair give this bedroom functionality beyond sleeping. E-mail, paperwork, picking up a good book or watching TV can all be enjoyed in this second zone.
