Dear [REDACTED]

Thank you so much for visiting QUAST GALLERIES on your recent trip to Taos. I enjoyed visiting with you and showing you the masterful works of John Phillip Osborne. His soft palette combined with his treatment of light and shadow surely make him the true romancer of light. I appreciate your love of "Isle of Skye" and hope it will be considered for that space in your home. I have enclosed of photograph of it so you can remember the painting. No photograph ever resembles the original work of art exactly but it can surely be a reminder of how you felt when you first saw the piece.

QUAST GALLERIES would love to help you make this piece a part of your collection. We offer art on an approval basis and also a no-finance charge lay-away agreement. If I can ever help you answer any question, please do not hesitate to call me. Thank you again for your time and interest. Take Care.

Sincerley,

Frazer Outlan
