OWNERSHIP PROVENANCE

31 yrs in Arizona · current owner in New Mexico

A four-owner, single-region history: 31 years entirely in dry Arizona (Safford, then Benson) before moving to Las Cruces, NM — a desert vehicle with minimal corrosion exposure, very lightly driven through its middle life.

OWNER	PERIOD · REGION	USE / YR	NOTES
1	04/1992 – 2013 Safford, AZ · 21 yr	~5,672	Original owner. ~3k → 121k mi. Consistently serviced at Smith & Taylor Automotive.
2	08/2013 – 2019 Safford, AZ · ~7 yr	~1,187	Very light use. Battery, tires, dealer service (Walmart / Freedom Ford). ~129,500 mi.
3	09/2020 – 2023 Benson, AZ · ~2.5 yr	~2,204	Registered in Benson, AZ through 2022. Light use.
4	03/2023 – present Las Cruces, NM	camper use	Current owner. Titled at 129,898 (Gray). Full fuel-system remediation + camper conversion.

SERVICE UNDER CURRENT OWNERSHIP

since 3/2023 · FUEL tags = tank/fuel-system remediation

DATE	PROVIDER	WORK PERFORMED		COST
3/21/2023	Bernard Automotive	Replaced fuel pump & filter; transmission pan, filter & gasket; oil pump, pickup tube, oil-pan gasket; intake plenum, EGR & throttle-body gaskets. Synthetic oil + Mercon V. 129, 835–129, 872	FUEL	\$2,142.88
4/11/2023	Bernard Automotive	Crank/no-start. Fuel pump re-replaced under warranty + full tank pump-assembly, sender & harness connector. 129, 916–129, 962	FUEL	\$532.61
6/2023	NAPA	EGR valve + EGR position sensor (loss of power on hills / fuel starvation).	FUEL	\$40.00
7/2023	Joe Ottai	Root-cause fix: replaced the rusted original Arizona fuel tank , fuel filter, and new tailpipe. Resolved upstream fuel contamination driving all prior symptoms.	FUEL	\$2,200.00
8/2023	Alert Muffler & Brake	A/C service & exhaust (inv. #1587239120).		\$275.92
4/30/2025	Speedy Glass	Front-right door glass (green tint) + labor. 139, 332 mi		\$221.31
9/2025	O'Reilly	Charging/accessory refresh: alternator (\$160), drive pulley (\$22), idler pulley (\$31), micro-V belt (\$40).		\$253.00

Documented service since purchase (excl. purchase)

\$5,665.72

Record note: the fuel pump appears twice (3/21 + 4/11 warranty) and the tank itself was replaced separately by Ottai in 7/2023 — read together, April was the pump/sender module, July the physical tank. The 3/21 Bernard work is independently corroborated by the CARFAX service record.

PRIOR SERVICE HISTORY

Arizona, 2001–2022 · from CARFAX (22 service records)

DATE	MILES	PROVIDER	WORK
12/2001	90,468	Smith & Taylor	Front brakes (pads + rotors), rear shoes, wheel-bearing seal
04/2002	93,594	Smith & Taylor	Oil & filter; maintenance inspection
05/2002	94,094	Smith & Taylor	General service
02/2004	—	Smith & Taylor	Fuel filter
03/2005	108,448	Smith & Taylor	Oil & filter
02/2006	111,218	Smith & Taylor	Cooling: radiator hose(s) + thermostat; fuel filter; oil & filter
03/2006	111,639	Smith & Taylor	Starter replaced
05/2006	111,836	Smith & Taylor	General service
08/2006	112,205	Smith & Taylor	General service
09/2006	112,670	Smith & Taylor	A/C compressor replaced + refrigerant recharge
06/2007	114,920	Smith & Taylor	Oil & filter; tire repair + rotation
01/2008	116,365	Smith & Taylor	Oil & filter
06/2009	117,966	Freedom Ford	General service
08/2009	118,130	Smith & Taylor	Oil & filter
12/2010	120,200	Smith & Taylor	Cooling: radiator repair; lights checked
08/2011	121,086	Smith & Taylor	Oil & filter; maintenance inspection
01/2014	—	Walmart Auto	Oil & filter
12/2014	—	Walmart Auto	Battery replaced + charging-system check
10/2015	—	Service facility	Tires balanced + replaced
11/2015	129,500	Freedom Ford	General service
08/2022	~129,000	Discount Tire	(4) Corsa Highway Terrain Plus 235/75R15, 40k-mi warranty — current tires (\$464.14)

Consistent maintenance throughout, primarily at Smith & Taylor Automotive (Safford, AZ). No major mechanical failures on record — the fuel-system issues surfaced only after the long low-use period (2013–2023) that let the tank corrode. Registration-only DMV events omitted.

CAMPER BUILD & SYSTEMS

hand-built reclaimed-wood conversion · documented from interior photos

Full reclaimed-wood ("woody") buildout — tongue-and-groove walls and ceiling, plank floor, hand-built cabinetry. Three-source 12V electrical (shore + solar + alternator), a working galley, and convertible seating.

POWER & CHARGING

3-SOURCE 12V

PowerMax PM3-55LK — 55A shore converter/charger (120VAC → 13.6VDC)

Renogy Rover Elite 40A MPPT — solar charge controller

DEWINNER 12V 140A isolator — alternator charging

Dual battery disconnects + fused 12V distribution (bus bars / fuse blocks)

LIVING & SLEEPING

Fiberglass high-top shell — standing room

Upholstered bench seating → 53" bed platform

Tongue-and-groove wood walls & ceiling, plank floor

Built-in side storage cubbies

GALLEY

Stainless bar sink + gooseneck faucet

12V water pump fed by portable ~6-gal jug

Two-burner propane cooktop — portable 1 lb Coleman cylinder (regulator + hose)

Reclaimed-wood counter, cabinets, drawers, open shelving

COOLING & CARGO

Alpicool T50 — 53-qt 12/24V fridge-freezer

Sirocco II 12/24V cabin fan (~\$150)

Steel roof rack + 20" × 48" platform

Hitch cargo rack + tow hitch

VEHICLE & INTERIOR DIMENSIONS

LENGTH (EXTERIOR) 211.8"	WIDTH W/ MIRRORS 79.3"	HEIGHT 80.7"
WHEELBASE 138"	BED PLATFORM 53" L × 58" W	LOADED GROSS WT. 6,380 lb

Interior storage (from build sketch): 49×17.5, 31×35, 15×17, 12.5×17, 12×16×16.5 plus side rails (27" & 42.5") and a 17×22 crate. Full sketch retained on file.

SPEND SUMMARY

Purchase (2/2023)	\$20,500.00	Total invested	~\$26,724
Mechanical service	\$5,665.72	Post-purchase upkeep + build	~\$6,224
Camper equipment (incl. ~\$150 fan)	~\$543	Miles since purchase	~16,800 (3 yrs)
Weight check (CAT)	\$14.74	Title / history	Clean · 4 owners
